

NOVA

technical sheet

This product consists of 10 main modules.

- Product: 186 cm Sofa
- Product: 262 cm Long Sofa
- Product: 204 cm Single Arm Sofa (L&R)
- Product: 114 x 160 cm Chaise Longue (L&R)
- Product: Love Seat 10. Product: 100 x 100 cm Pouf
- Product: 222 cm Sofa
- Product: 168 cm Single Arm Sofa (L&R)
- Product: 94 x 160 cm Chaise Longue (L&R)
- Product: Armchair

STRUCTURE

The main frame carrier parts are 2.2 cm beech plywood. Supporting pillars are 1.8 cm poplar plywood. The bottom is supported with 1.8 cm beech plywood. The seating is reinforced with a 3 mm thick felt pad. Springs have a decisive influence on the comfort of sitting and that's why Caridia utilizes 3.8 mm thick steel Zig Zag springs in order to offer customers a comfortable feeling. The main parts of the frame such as front panel, outside back, and outside arms are coated with 28 DNS foam and wrapped with 125 g/m² fiberfill. NOVA offers 4 different setup variations with the help of different modules. Each module can be easily and securely fastened together with the help of the provided alligator clips.

SEATING COMFORT

The seating and backrest are monobloc and designed as High Resilient (HR) foam. Caridia aims balancing the durability, comfortability, and stylishness of NOVA by employing an eye-catching foam design in order to emphasize the quality sitting and perfect appearance. The back cushions are removable and filled with a special blend of goose down and ball fiber. The sitting cushion is composed of four layers of foam at different density levels, 25 HR at the bottom, 35 HR and 25 HR in the middle, and 25 DNS memory foam on top of it, and finally coated with 125 g/m² fiberfill wrap. While the back rest and inner arms are coated with 25 DNS memory foam, upper arms, and upper vertical parts are coated with 45 HLB foam at the bottom and 35 HR foam on top of it, and all wrapped with 125 g/m² fiberfill.

LEGS

NOVA comes with custom design high quality kiln dried wood frame and legs -17cm- offered in walnut or oak.

STRUCTURE

FRAME	Plywood + Beech Plywood + MDF
